

Dr. Zhijiang Chen's Chinese Herbal Remedies Series

Pulse-ology

Chapter One: Basic Information.....	1
1. Definition of Pulse-ology.....	1
2. Location of pulse reading.....	1
3. Position of pulse reading.....	3
4. Method of pulse reading.....	6
5. Principle of pulse reading.....	9
6. Organ's position with pulse's indication.....	11
7. Normal pulse's indication.....	12
8. Physiology of pulse.....	12
9. Pathogenesis of pulse.....	13
10. Abnormal pulse's indication.....	13
11. Artery blood vessel characters.....	13
12. Artery blood liquid characters.....	13
13. Vein blood liquid characters.....	14
14. Best time to check radial pulse.....	14
15. Common factors affecting pulse's image.....	14
16. Purpose of pulse's reading.....	17
Chapter Two: Finger Feeling Relate to Pulse's Indication.....	18
Section One: Artery Vessel.....	18
1. Artery vessel Quality.....	18
2. Artery vessel Shape.....	18
Section Two: Blood Liquid Condition.....	18
1. Blood liquid quantity.....	18
2. Blood liquid property.....	18
3. Blood liquid texture.....	19
4. Blood liquid activity.....	19
5. Blood liquid material condition.....	19
6. Blood liquid power.....	20
Section Three: Energy Qi Condition.....	20
1. Energy qi quantity.....	20
2. Energy qi quality.....	20
3. Energy qi property.....	20
4. Energy qi activity.....	21
Section Four: Body Liquid (Moisture Energy) Condition.....	21

1. Jin liquid – thin texture liquid.....	21
2. Ye liquid – thick texture liquid.....	21
Section Five: Four Energy Condition.....	21
1. Warm energy.....	21
2. Cold energy.....	22
3. Dry energy.....	23
4. Moisture energy.....	23
Chapter Three: Common Pulse’s Indication.....	23
Section One: Pulse’s Location Indication.....	23
1. Cun pulse.....	23
2. Guan pulse.....	26
3. Chi pulse.....	28
Section Two: Pulse’s Position Indication.....	30
1. Floating – Fu.....	30
2. Middle position – Zhong.....	34
3. Deep – Chen.....	36
Section Three: Pulse’s Shape Indication.....	40
1. Big – Da.....	40
2. Small – Xiao.....	42
3. Long – Chang (see big)	
4. Short – Duan (see small)	
5. Wide – Kuan (see big)	
6. Fine – Xi (thread, thin).....	43
7. Hooked (moving) – Gou (dong).....	45
8. Single Jump.....	46
9. Double Jump – Concave.....	46
10. Triple Jumps.....	46
11. One side wrist cannot find pulse.....	46
Section Four: Pulse’s Power Indication.....	47
1. Full – Shi (overflowing – hong).....	47
2. Weak – Xu (hypo, minute – wei, ruo).....	47
3. Hollow – Kong (empty – kou).....	48
4. Hyper – Kang (leathery – ge).....	50
Section Five: Pulse’s Texture Indication.....	51
1. Slippery – Hua.....	51
2. Choppy – Se.....	53

Section Six: Pulse's Intense Indication.....	55
1. Tight – Jin (firm – lao).....	55
2. Soggy – Ruan (soggy - ru).....	57
3. Wiry – Xuan.....	59
Section Seven: Pulse's Rhyme Indication.....	61
1. Rapid – Shu.....	61
2. Slow – Chi.....	63
3. Moderate – Huan (normal – ping mai).....	65
4. Irregular Skipping with Slow and Fast Pulse (kntted – jie, hasty – cu).....	67
5. Regular Skipping Pulse (intermittent – Dai).....	70
Chapter Four: Pulse's Indication Relate to External Six Pathogens.....	73
1. External wind pulse's indication.....	73
2. External cold pulse's indication.....	73
3. External dampness pulse' indication.....	73
4. External dryness pulse's indication.....	74
5. External heat pulse's indication.....	74
6. External fire pulse's indication.....	74
7. Excess external pulse.....	74
Chapter Five: Pulse's Indication Relate to Internal Pathogens.....	75
1. Internal wind pulse indication.....	75
2. Internal cold pulse indication.....	75
3. Internal dampness pulse indication.....	76
4. Internal dryness pulse indication.....	76
5. Internal heat pulse indication.....	76
6. Internal fire pulse indication.....	77
7. Excess internal pulse.....	77
Chapter Six: Yin Yang of Pulse's Indication.....	78
Section One: General pulse information of Yin yang	78
Chapter Seven: Four Seasons of Pulse indication.....	79
Chapter Eight: Pulse's Indication Related to Seven Zang Organs.....	81
Section One: Heart Pulses.....	81
Section Two: Liver Pulses.....	83
Section Three: Pancreas Pulses.....	85
Section Four: Kidney Yang (Adrenal Gland) Pulses.....	86
Section Five: Lung Pulses.....	86
Section Six: Kidney Yin Pulses.....	87

Section Seven: Spleen Pulses.....	88
Chapter Nine: Pulse's Indication Related to Seven Fu Organs.....	89
Section One: Stomach Pulses.....	89
Section Two: Gallbladder Pulses.....	90
Section Three: Small Intestine Pulses.....	90
Section Four: Large Intestine Pulses.....	90
Section Five: Diaphragm Pulses.....	91
Section Six: Bladder Pulses.....	91
Section Seven: San Jiao Pulses.....	91
Chapter Ten: Pulse's Indication Relate to Common Symptoms.....	92
Section One: Acute and Chronic Condition Relate to the Pulse.....	92
Section Two: Deficiency and Excess Condition Relate to the Pulse.....	92
Section Three: General Symptoms.....	93
Section Four: Female physiology condition affecting the pulse's indication.....	99
Section Five: Identify Surviving and Dying Condition.....	101
Reference.....	113
